

Each year, students from all grade levels within Atlanta Public Schools (APS) are invited to display their artistic talents in the Superintendent's Winter Card Contest. The animated video features the winning entries from elementary, middle, and high school students for the 2024-2025 school year. This final winter video is distributed throughout the district during the holiday season and shared across social media, newsletters (both internal and external), and the district website. This uplifting video celebrates the creativity and talents of APS students across the district! Social stats 1,658 views YouTube APS Channel 670 views on Facebook 93 Likes on IG
