

Category: Video Entry (Singular with Contractor) Bethlehem Area School District Southside Greenway Mural Collaboration By Barbara Clymer, Communications Coordinator, Bethlehem Area School District VIDEO LINK: <https://www.youtube.com/watch?v=zm7HhNbB-a4> The Southside Greenway Mural Collaboration video celebrates the creativity, collaboration, and community spirit that brought this vibrant artwork to life. Produced in partnership with a contractor, the video documents the creation of the mural, which was designed in collaboration with Donegan Elementary 5th graders and artists William Nieves and Jermel Fountain. The mural serves as a symbol of unity and creativity, reflecting the collaborative efforts of students, teachers, and community partners. Special thanks are extended to Donegan Art Teacher Tiffany Anderson, Community Action Bethlehem, the Chamber Foundation, and the City of Bethlehem for their invaluable support. The video also features inspiring speeches by student speakers Kylie Myers and Antonio Young, highlighting the pride and connection the project fostered. Released on the district's YouTube channel and shared via social media, the video reached a wide audience, celebrating the intersection of art and community. It demonstrates the power of collaboration and the role of public art in bringing people together, emphasizing the district's commitment to fostering creativity and engagement.
