

The SISD Class of 2024 Highlight video served as a dynamic recap of the monumental two-day graduation event, capturing the excitement, pride, and achievement of our graduates. This captivating 2-minute video featured highlights from the Early College High School and the six comprehensive high schools in SISD, ensuring that each school received equal representation. Every moment was carefully curated to reflect the unique spirit of each graduation ceremony, blending scenes of ceremony, celebration, and the joy of accomplishment. To maximize its reach, the highlight video was shared across all our major social media platforms on X, YouTube, Facebook, and Instagram, making it accessible to our entire community. The video was posted the morning after the final graduation ceremony, allowing those who couldn't attend to experience the event and relive the memories. The music was licensed through [Triplescoopmusic.com](https://triplescoopmusic.com). The video quickly gained traction, surpassing 22,000 views and reaching more than 70,000 viewers. Its widespread reach was further amplified as it was shared across social media platforms, sparking an outpouring of positive feedback from the community. Parents, students, and alumni expressed their joy and pride, with many praising the video for beautifully and professionally capturing such an important milestone.
