

With a new Head Principal, New Activities Director, and a first year Head Football Coach, Grand Island Senior High set out to make the 2024 Homecoming festivities one of the biggest in school history. Part of that celebration included packing the noteworthy Memorial Stadium for a sold-out Homecoming football game against a conference rival. The Grand Island Public Schools Communications Team developed this Homecoming Game Hype Video as a way to culminate the weeklong festivities. The video proudly displays the efforts of: Football Cheerleading Marching Band Dance Team Homecoming Royalty Student Section Staff Coaches And the Community

The goal of the video was to celebrate our students, showcase the GISH "Islander Pride", and hype-up our community as well as our students and families to rally around the school.
