

The "2025-2026 Application-Based Secondary Offerings by Grade Level" infographic is an interactive tool designed to help students navigate their high school experience. It provides a comprehensive overview of available programs, identifying which grade levels are eligible for each offering. When users hover over a program, a description and image appear, along with details about which schools offer the program. This interactive format enhances engagement and accessibility, ensuring that students and families can make informed decisions about their educational pathways.
