

This video was produced to celebrate the 2024 District Teacher of the Year, Spring Valley High School's Rona Stewart. The video features a surprise visit to Mrs. Stewart's classroom from her family, Principal, Superintendent, and other guests. Mrs. Stewart's dedication and talent as an educator is not only evident in her words, but also in those of one of her students, who invokes the current class lesson to express her pride in her teacher. The video was promoted to all District Shareholders on the Richland District Two YouTube channel, on ParentSquare, and across social media platforms. The video has been viewed 508 times on YouTube. On Facebook it was watched 6.6 k times and achieved a reach of 3560 and 4093 impressions.
