

“Remember this moment, you are the kings and the queens,” School District of Palm Beach County Superintendent Michael Burke told 12,500 seniors on their graduation day in May 2024 before the lights dimmed and the screens lit up with a special video dedicated to the lively spirit of the Class of 2024 and the nostalgic feelings of graduation day. Graduates got to see themselves reflected in the celebratory footage captured at various Palm Beach County high schools in April 2024 as well as photos submitted by their schools of momentous occasions. Proud families and friends enjoyed watching the video in person at the Expo Center at the South Florida Fairgrounds and via live broadcast of the ceremonies. A limited-use license to use "Long Live (Taylor's Version)" by Taylor Swift in a live broadcast of a special event was secured through BMI.
