

For the first time in years, SUSD gathered more than 4,000 employees to come together and get motivated to serve the students in the upcoming school year. Our department put on the kickoff as the Superintendent gave an address and students performed. The energy was amazing and we put together this video to capture and share our focus of Whole Child, Whole Family, Whole Community. Positive community engagement followed as we began the new school year with the them SUSD Onward: Imagine the Possibilities
