

The "Secondary Programs Video Series" highlights the diverse specialty centers and academic opportunities available to students in Stafford County Public Schools. Students and families are able to review the videos for information on our programs before registering through the lottery system. Prospective families may also review the information when preparing a move to our division. This video series serves as an essential tool for students and families exploring secondary education options, ensuring informed decision-making for future academic and career success. This engaging series includes videos on: Explore Stafford County Public Schools Specialty Centers Why Choose the IB Program: Unlock Your Global Potential with the International Baccalaureate Dive into Engineering Excellence: The Stafford Academy for Technology Exploring the Commonwealth Governors School Discover the Academy of Technology and Innovation at UMW Additionally, a second playlist featuring the same videos in Spanish was created to support Spanish-speaking families, ensuring equitable access to vital educational information.
