

## NSPRA Seminar Presenter Commitment

On behalf of myself and my co-presenters, if applicable, I understand and commit to the following:

- **CONSISTENCY:** The presentation I deliver will match the session title and description proposed and provided to NSPRA for the Seminar program.
- **TIMELINESS:** I will pre-record my session presentation and upload my presentation slides and any handouts/tip sheets in the Speaker Service Center (guidance to be provided) by Monday, June 30.
- **TRANSPARENCY:**
  - My session will *not* include any sales presentations or pitches for vendor products or consultancy services.
  - I will allow time in my session for audience questions and answers.
- **ACCOUNTABILITY:**
  - I will not designate a substitute presenter or add any additional co-presenters without prior approval from NSPRA.
  - If my proposed session is selected for inclusion in the Seminar program, I agree to notify NSPRA immediately if I later become unable to attend and fulfill my commitment to present.
  - I and my co-presenter(s), if applicable, agree to pay all expenses, including Seminar registration fees, for time spent at the Seminar. (All presenters must be registered for the Seminar.)
  - I and my co-presenter(s), if applicable, agree to pay all audiovisual expenses for AV items I request that are not provided in NSPRA's normal audiovisual support.
- **APPROPRIATE AUTHORITY/ATTRIBUTION:**
  - I acknowledge that submission of this session proposal grants NSPRA the exclusive right to make the pre-recorded video of my session available for on-demand viewing after the Seminar.
  - I grant NSPRA permission to use my session presentation and handouts/tip sheets, with attribution, in NSPRA publications and news vehicles.
  - I and my co-presenter(s), if applicable, confirm that my/our presentation and handouts/tip sheets will be free of infringement on others' intellectual property rights. If I/we use the published work of another, I confirm that I/we will secure permission and provide attribution as legally required, in alignment with the [NSPRA Code of Ethics](#).

I and my co-presenter(s), if applicable, hold NSPRA harmless for any improper use of intellectual property.

I understand and agree to the terms of the "NSPRA Seminar Presenter Commitment" outlined above.
