

## 2019 NSPRA Seminar Pat Jackson Seminar Scholarship Application

**July 14-17, 2019 — Washington, D.C.**

Patrick Jackson, APR (1932-2001), was recognized around the world as a “guru” of public relations and his contribution to the profession has been monumental. His belief in the practice of behavioral public relations and the use of “actionable” research continues to guide today’s public relations professionals. Pat’s passion for education and respect for school PR pros made him one of NSPRA’s most popular Seminar presenters. He was a true teacher who inspired and helped many NSPRA members in their careers and who left us with a challenge to continue his work.

The Pat Jackson Seminar Scholarship is administered by the NSPRA Foundation for the Advancement of Education and was created to honor Pat’s legacy and continue his efforts to improve the practice of public relations in education. The scholarship provides one registration to the annual NSPRA Seminar for a deserving NSPRA member.
